

Organization of Pakistani Entrepreneurs (OPEN) Karachi  
Presents

# Being Pakistani Week

## Inspire.Connect.Scale

Powered by OPEN Islamabad, OPEN Lahore and OPEN Global

OPEN Karachi presents Being Pakistani Week, a citywide platform designed for professionals, entrepreneurs, startups, and business leaders, alongside academia, creatives, youth, and the global Pakistani diaspora. Hosted across Karachi's leading institutions, the week brings together individuals and organizations interested in exploring ideas, opportunities, and collaborations that shape Pakistan's future — through curated dialogues, book reviews, institutional engagements, ecosystem visits, and cultural forums.

## About OPEN Global

OPEN Global is a premier international network connecting Pakistani entrepreneurs, professionals, and investors across major global hubs. Its mission is to enable mentorship, knowledge exchange, and cross-border collaboration, positioning Pakistan's entrepreneurial talent on the global stage while strengthening diaspora linkages with Pakistan. Meet the people from OPEN Global chapters including Karachi, Lahore, Islamabad, Silicon Valley, Boston, New York, Washington DC, Chicago, Houston, London, Toronto, and Berlin.

## About OPEN Karachi

OPEN Karachi is a revitalized platform focused on Inspire, Connect & Scale. The chapter brings together startups, corporates, academia, institutions, and diaspora leaders to foster meaningful engagement, thought leadership, and community-driven initiatives that strengthen Karachi's role as Pakistan's economic and entrepreneurial hub.
